RELEVANT EXPERIENCE

Askyourteam | Senior Software Engineer

2021 - Current | Wellington, NZ & Remote

- Provided technical guidance as part of a product trio, working closely with product and design teams to develop user-focused solutions.
- Improved accessibility by delivering a fully WCAG 2.1-compliant survey platform, ensuring an inclusive experience for all users through the use of semantic HTML and ARIA standards.
- Designed and built APIs for our survey-taking platform in a Ruby-based serverless project, optimising for high performance and seamless integration.
- Led multiple projects as the technical lead, translating requirements into structured deliverables to ensure customer value and continuous feedback with each release.

Colossal | Contract Developer

2020 - 2021 | Remote

- Delivered key feature improvements using React.js, enhancing user engagement and reducing load times.
- Developed and maintained a reusable front-end component library, improving development efficiency across multiple projects.
- Collaborated effectively with remote agile teams, ensuring clear communication and timely delivery of front-end features aligned with project goals.

Dev Academy | Software Developer Teacher

2019 - 2020 | Wellington, NZ

- Delivered engaging React and Node.js live coding sessions to effectively convey programming concepts and techniques.
- Facilitated hands-on coding exercises that provided real-world programming challenges and fostered practical problem-solving skills.
- Provided support and mentorship to students, fostering their growth and development.

Snaffle | Front-end Developer

2018 - 2020 | Melbourne, Aus & Remote

- Maintained and updated online forums, ensuring smooth operation and functionality.
- Implemented UI changes that ensured consistent functionality and a smooth user experience across different devices and web browsers.

Punters.com.au | Front-end Developer

April 2015 - Jan 2017 | Melbourne, Aus

- Refined and optimised CSS, reducing specificity to improve load performance and prevent visual flickers.
